Nightfall at Ned's Point

Mussels & More Pottery Inc.

Beautiful Ocean Theme Pottery shells and accent pieces that are made of high-fired stoneware clay. Individually hand sculpted - they are food and oven safe so that wonderful foods can be baked and presented right "in the shell". They are microwave and dishwasher safe. The interesting hand done detail work on both the top and bottom of the shell make it a powerful art piece to be enjoyed and viewed from either side. A perfect gift for anyone on your gift list.

Guiding Light Getting to Know Ned's Point By Nancy MacKenzie

Bert and Betty Theriault have been working diligently for close to two decades to ensure that the history of Ned's Point Lighthouse stays alive.

Mattapoisett residents and members of the U.S. Coast Guard Auxiliary, this couple helped Flotilla 67 of the Auxiliary adopt the lighthouse, allowing them access to the property to run tours and conduct basic maintenance.

The historic Ned's Point Lighthouse, located on Ned's Point Road at the mouth of the Mattapoisett Harbor, was originally constructed in 1837 to guide whaling vessels into the harbor. During the early to mid-1800s, whaling and shipbuilding were primary industries in the region, explained Mr. Theriault.

A retired English professor, Mr. Theriault and his wife, who is a former librarian, became interested in the lighthouse after years of involvement in the Coast Guard Auxiliary. Both were active in teaching boating and water safety courses out of Marion. This involvement, coupled with a strong interest in the history of the area, eventually lead to the adoption of Ned's Point Lighthouse by the Auxiliary.

Above: Among the 25 eighth graders who graduated from Friends Academy in North Dartmouth on June 14 were six tri-town residents including (l. to r.) Marion Chatfield Osier, daughter of Catherine Stone of Marion and William Osier of Camden, SC; Heather Jeanne Patrick, daughter of Ian and Deborah Patrick of Marion; Kaitlyn Marie Psychojos, daughter of Triffin and Patricia Psychojos of Marion; Ned Arthur Kaiser, son of David and Jennifer Kaiser of Mattapoisett; Matthew Michael Bejtlich, son of Michael and Janet Bejtlich of Rochester; and Kyler Gilbert Canastra, son of Raymond and Debra Canastra of Rochester.

Some key features of the lighthouse tour, conducted by various members of the Auxiliary, include climbing the original pink granite stairs. The granite was used widely in town during the mid 1800s, Ms. Theriault said, explaining that the quarry was located on the north side of Mattapoisett Neck Road.

Also of interest is the history of the keeper's house that was attached to the lighthouse throughout the 19th century and into the early 20th. Originally a stone house, the coast guard replaced the unsound structure with a wooden framed house in 1888. According to documents from the Mattapoisett Historical Society and a chronicle compiled by the Theriaults, when the lighthouse became automated in 1923, the wooden frame house was floated on a barge across Buzzards Bay to be used at Wing's Neck Light Station in Pocasset. Captain Russell Eastman, the last keeper of the Ned's Point Lighthouse,

rode in the house on its journey across the Bay. Stone footings from the keeper's house can still be seen on the lighthouse property at Ned's Point.

Both Mr. and Ms. Theriault feel that a visit to the lighthouse provides a great opportunity to learn more about the history of Mattapoisett and the region. Children should be at least 10 years of age. Shoes or sneakers should be worn because of the ladder at the top.

The free tours are held every Thursday during July from 10:00 am until 12:00 noon (weather permitting). The last tour will start at 11:45 am. The lighthouse will close at 12:00 noon.

In August the tours will be on Thursday afternoons from 4:00 pm to 6:00 pm — again, weather permitting. The last tour will enter the lighthouse at 5:45 pm and the lighthouse will close at 6:00 pm. There will be no morning tours in August and no appointments are necessary.

The Fresh Paint event — a rain or shine activity — is just one of several art and music offerings planned on July 11 in support of the Mattapoisett Library expansion. Area residents are encouraged to bring their children to the park for old-fashioned games run by the library's Children's Department staff from 3:30 to 5:30 pm, and a blanket or lawn chairs for sampling the picnic pleasures while enjoying live musical entertainment from 4:00 to 7:00 pm. This year's performers include the soft-rock band "Mr. Whoopie" and jazz and blues by the Wallace and Gries Duo. The Friends of Mattapoisett Library will also be raffling a Bose Wave Music System throughout the day with the winning ticket to be drawn on Sunday, July 13 — the last day of the Harbor Days weekend.

More than a dozen Mattapoisett restaurateurs will also be serving up their support with "A Taste of the Town: from 5:00 to 7:00 pm under the Lion's Tent in Shipyard Park. with the other big telephone companies, has announced their intention to compete ... with other cable providers," Mr. Foster said. "Around the beginning of the year, we began noticing Verizon trucks around Marion stringing up fiber optic cable. We then received a press release from Verizon saying they were interested in an expedited cable license."

Mr. Foster said they have been negotiating with Verizon to work out an identical contract agreement between the three towns and the existing Comcast provider.

"In general, we think this is a good idea because competition will help keep prices down ... and provide us with additional funding for (Public, Education and Government) Access programming," Mr. Foster said.

One caveat in this endeavor, however, according to Mr. Foster, is the recent passage of House Bill HR5252 which would allow for a national franchise operation to supercede local franchising (i.e. Comcast, Verizon). This legislation, along with S2686 in the Senate which passed on June 28, could jeopardize continued funding for PEG Access, reducing the tri-towns' current 4.5 percent alloca-

"If we can get this license approved with light speed, we might be able to be grandfathered," Mr. Foster said. "That means the existing contract with Comcast would be good for 10 years ... and Verizon is asking for a 15-year contract."

Mr. Foster presented the three boards with a draft copy of the contract they've been negotiating with Verizon and asked for each board to sign on behalf of their town.

"Our desire is to get this out by (July 3), the latest," Mr. Foster said. "And then schedule a hearing with Verizon on July 27."

Mr. Foster noted among the benefits of the agreement between the tri-towns and Verizon would be the provision to wire the Town of Rochester for the iNet, which would allow for live cablecasting as now available in both Mattapoisett and Marion.

Other newly-proposed benefits which Verizon is offering which differ from Comcast's current agreement include up to 20 hours of PEG Access programming available "on demand," meaning local residents could access archived meetings or events anytime; the PEG Access listing to be included on the provider's on-screen program guide; and free Internet access to all public buildings.

With that, each respective Board of Selectmen voted to sign and approve the contract with Verizon for cable services on behalf of their town, with Selectman Ray Andrews abstaining due to his position on the ORCTV

Board of Directors.

Mr. Foster noted the next step in this process would likely be a public hearing with representatives of Verizon on or around July 17. This would be an opportunity for the towns and the public to offer input into the planned cable service expansion.

In other matters, Selectman Collyer noted the MET tower at ORR High School is now up and running and it will continue to collect data for the next 12 to 14 months to determine the feasibility of constructing a wind tower and turbine at the site.

Selectman Henry also suggested the idea of researching regional purchasing for the three towns, which had previously been delegated to the Town Administrators, be put on hold for the time being until Marion was able to find a full-time Town Administrator in the wake of Jack Dolan's recent resignation.

The boards then agreed to hold their next regular Tri-Town Selectmen's meeting, to be hosted by the Town of Rochester, on Thursday, August 24 at 6:30 pm in the Media Room at ORR High School. With that, they unanimously adjourned for the evening at 7:20 pm.

and organized by the Women's Keel Boat Racing Program and the Local J-24 class Fleet 16 in conjunction with the US J-24 Class Association.

The regatta has attracted sponsorships from marine and non-marine companies. Presenting sponsors are Goslings Rum, Helly Hansen sailing apparel, North Sails and New England Ropes. Associate sponsors include Harken, Forte RTS and Skin Effects beauty products. Official event suppliers are Stonyfield Farm Yogurt, Ray Marine Electronics, Tack Tick solar compasses and wireless instruments, Harken and Hall Spars to name a few. All are contributing generously to support this event. They see it as an opportunity to be involved with the every growing segment of Elite and Advanced women sailors.

Each day of the regatta will feature one of the presenting sponsors with their banners the banners and products and will host the after sailing festivities for the participants.

Basketball Camp

The **Tri-Town Basketball Camp** will be held again this summer for boys and girls Grades 4 through 9 from Mattapoisett, Marion, and Rochester. The Camp Director is Rick Regan, who is a former boys and girls coach at Old Rochester Regional High School and now the head coach for the Bristol Stars Girls 14U AAU team. The camp will again be held at Old Rochester Regional Junior High School.

The first sessions for boys will be held from July

Attack Cat

My one year old cat stalks me as I walk around the house and frequently attacks my ankles. He doesn't try to hurt me but how can I get him to stop this behavior?

If your cat is an exclusively indoor pet, he may be exhibiting normal hunting behavior. Cats are natural predators and your cat is simply acting instinctively. Make a toy out of a ball of aluminum foil on a string tied to a stick. Try to get the cat to focus on hunting something other than your ankles.

I have dragged a string on the floor that he will stalk but it doesn't seem to lessen the ankle attacks. Any other suggestions?

First, I'd avoid letting your cat play with a simple piece of string. If he plays with string when you are not present and swallows some, it may require intestinal surgery to remove it.

If your cat requires more play time than you can provide, consider adopting a kitten. There is no guarantee that they will get along but since your cat is still young he will probably gladly accept a new playmate. Cause for Paws in Mattapoisett and Champs Shelter in Wareham as well as the Animal Rescue League in New Bedford have many kittens available for adoption at this time of year.

ATTENTION DRIVERS

If you are involved in a collision you have the right to have your investment, your vehicle, repaired at a shop of your choice. Your insurance company may suggest a list of repair shops. Do not be persuaded by this list, it is not a guarantee of quality of services, nor does it limit your options. You want a shop who will work for you and with you to put your vehicle back to pre-accident condition. **COLLISION SERVICES OF MARION, INC.** is a licensed, bonded, registered repair shop with the state of Massachusetts. We work with all insurance companies to expedite your repairs. The important thing to remember is we repair the vehicle for you, our customers, not the insurance companies. So remember, if the need arises, contact **COLLISION SERVICES OF MARION, INC.** to get back on the road.

point the player's strengths and weaknesses. The coaches will help the player to continue to develop his or her own strengths and work on overcoming the weaker areas of his or her game. This program will give each player a solid base on which they can build their game. Individual technique will be stressed each session. A small-sided game format will also be utilized to help players to develop insight by reading the game as they develop their technique.

The Mariner Soccer Academy will run two five-day programs from July 24-28 and August 14-18. Half and full-day programs are offered for players 6 to 18. Team training is also available. Each player will receive a t-shirt and skill ball as well as an evaluation from their staff coach. Bird Island Challenge

The Fourth Annual **Bird Island Kayak Challenge** will take place at the Gleason Family YMCA in Wareham on Sunday, August 13. The start of the race begins from the Narrows in downtown Wareham. Kayak enthusiasts will have the choice of three courses: the 12-mile Lighthouse Course circles Bird Island in Marion; the six-mile Great Hill Course; and the two-mile Long Beach Course.

Race day begins with breakfast followed by a mandatory captain's meeting. The race will begin with staggered start times according to boat class from the pier at Besse Park, near the Nantucket Lightship. Safety boats will be stationed along the race course.

Participants are asked to register in advance with a minimum of \$100 in pledges to benefit the Gleason Family YMCA. No registrations will be accepted the day of the race. All racers will be given a complimentary race package. Each racer will also receive a complimentary breakfast and lunch. All participants will receive the coveted "Gilded Clam" medal at the awards ceremony following lunch under the tent in Besse Park.

A raffle drawing will take place after the awards ceremony on August 13, 2006. The raffle will feature an

News Submission Policy

The Wanderer gladly accepts any and all news and press release items from local non-profit organizations for publication on a weekly basis. The deadline for submission of said items is Monday at 12:00 noon for publication in that week's edition. Due to the increasing number of submissions, however, publication of press material is never guaranteed. The Wanderer will make every effort to publish timely news items and announcements as the subject warrants and as often as spacing allows. All press material must be submitted in writing via fax (508-758-4845), e-mail (news@wanderer.com) or mail (The Wanderer, P.O. Box 102, Mattapoisett, MA 02739), and must be typed or word-processed. We cannot accept any handwritten material or news items via telephone, no matter how brief.

Photographs of area events and newsmakers are also accepted and encouraged. The Wanderer accepts well-lit and clearly-defined color or black and white photographs for publication provided they include a brief summary of the event or subject. Due to processing and/or cropping requirements, we cannot return photographs. Please make sure you retain your negatives or have a copy made before submitting photographs for publication. Like news items, the deadline for photos is Monday at 12:00 noon and the publication of photographs is also subject to spacing constraints and therefore cannot be guaranteed.

Buzzards Bay Musicfest

The music sails back into Sippican Harbor when the tenth annual Buzzards Bay Musicfest kicks off in Marion from July 12 through July 16, 2006.

It is a special year for the Buzzards Bay Musicfest as they celebrate their Tenth Anniversary! Back in 1997, Maestro Russell Patterson brought a group of nationally-recognized musicians to the Buzzards Bay area in hopes the community would embrace their amazing talent. The response over the past decade has been overwhelming!

The Buzzards Bay Musicfest brings orchestral and chamber music performances to the acoustically superb Fireman Performing Arts Center at Tabor Academy on Front Street in Marion.

Admission is free and the performances are open to all.

Nationally-prominent musicians will perform under the direction of Maestro Russell Patterson, formerly of the Kansas City Orchestra and Lyric Opera. Orchestral performances will be held Wednesday, July 12 at 8:00 pm and Sunday, July 16 at 2:00 pm. Chamber music perfor-

Rochester Racer Excels

Patrick DeLowery from Rochester just made his dream come true. The 10-year-old dirt bike racer has qualified for the largest amateur motocross race in the world, the 25th annual AMA / Air Nautiques Amateur National Motocross Championships at Loretta Lynn's Ranch in Tennessee. Patrick took on over 20,000 hopefuls from across America to earn one of just 1386 qualifying positions.

"Every motocross racer in the country wants to compete in the Amateur Nationals," said Event Director Tim Cotter. "A win at there can serve as a springboard to a lucrative professional motocross career."

Most of America's top professional motocrossers, including Jeremy McGrath, Ricky Carmichael, Travis Pastrana and James Stewart, have won AMA Amateur National Championships. A victory at this race is so valuable that last year, teenager Ryan Villopoto from Poolsbo,

Washington, was rewarded with a six-figure pro contract from the Monster Energy/Pro Circuit/Kawasaki factory racing team after winning an Amateur National Championship last year.

Patrick, who attends Rochester Memorial School, has been riding since he was 3 years old. Sponsors such as The Pinhancos Family, also from Rochester, Bowen Lane Stables, and Capeway Rovers Motocross help paid his way to the races. He has won well over 50 races in the last five years, and competes nearly every weekend at local tracks in the New England area.

Patrick and his father, Joed DeLowery, will pack up the family camper and head to Tennessee for the race, which runs August 1-5.

Patrick is just one of over 20,000 who spent the last four months attempting to qualify for the event. The top finishers in area and regional qualifiers earn a birth into the national championship race. Racers may enter a wide variety of classes, from minicycle classes for children as young as four, all the way up to a Senior division for riders over 45. There are also classes for women, and classes for both stock and modified bikes.

The track is built on a section of Loretta Lynn's Ranch and Campground in Hurricane Mills, Tennessee. The course contains a variety of jumps, corners and other obstacles designed to test the skills and stamina of the racers. Most riders attend the event with the help of their families. In fact, many groups consider the event

Chiropractic: Allergies and Sinuses??

Step into the reception room at **MARION FAMILY CHIROPRACTIC**

You will see a three year old who has spent most of his life on steroids, inhalers, and antibiotics for recurrent infections and breathing problems. His parents are concerned about the effect that will have on the development of his immune system, and are looking for an alternative to help his body work better naturally.

You will see a pregnant woman who does not want to take medications for her chronic sinus infections. She heard that chiropractic care can help, and now, for the first time in years, is relieved of the pain and pressure in her head.

You will meet an active four year old who two years ago was taking 15 different medications for asthma, allergies, and hives. He is now medication free.

You will see a teacher who came to Marion Family Chiropractic for sinus headaches that were worse with any weather change. When she gets adjusted, she immediately feels the pressure release from her sinuses within seconds.

You will meet a family who began chiropractic care last summer, and spent this entire school year without a sick day for any of their children. They are now noticing that this spring's pollen isn't bothering them.

You will meet a woman who loves to garden, but lately had been having more trouble with allergies. She began chiropractic care last winter for sciatica, and is now noticing that she's even able to mow her lawn without sniffing.

How does chiropractic care help with problems like allergies and sinus infections?

"More than anything," Dr. Alicia Crabbe explains, "chiropractic care is about re-establishing normal communication in the body."

Chiropractic care helps allergies and sinus infections by opening up nervous system pathways that allow the body to properly communicate, rather than over reacting to things like pollen and other environmental stressors. At Marion Family Chiropractic, each person's comprehensive care plan includes nutritional and supplement advice that helps to resolve immune system problems naturally.

Mr. Prefontaine is a member of ACF Chapter of Northern New Hampshire. He completed an ACF apprenticeship program at the Balsams Resort Hotel in Dixville Notch, NH in 2000, where he received the Balsams Apprentice of the Year Award from Phil Learned, CEC, AAC. In addition, he earned an associate of occupational studies degree in culinary arts from New Hampshire Community Technical College in Concord. Mr. Prefontaine has competed in many national culinary competitions including the 2006 Ben E. Keith Food Show in Conroe, Texas, and the 2005 I-35 Hot Food Competition in Waco, Texas, where he earned gold medals at both events.

Before earning the spot, Mr. Prefontaine was judged in one of two preliminary competitions held earlier this year at Elgin Community College in Elgin, Ill. After displaying his talent, he was chosen to compete in the final tryouts at the 2006 NRA show in Chicago. There, he displayed a high level of craftsmanship based on solid classical cooking principles and a variety of cooking disciplines that incorporated current and modern trends in presentation, technique and taste.

ACF Culinary Team USA Regional and ACF Culinary Team USA National represent the United States in major international culinary competitions, including the Internationale Kochkunst Ausstellung, or "Culinary Olympics" held every four years and known as the most-prestigious international cooking competition in the world. ACF Culinary Team USA Regional is often considered a training ground for future national team members.

Marion Scholarship Raffle

The Marion Scholarship/Education Committee is holding its Second Annual Scholarship Raffle in an effort to raise awareness and money for the local scholarship fund. There are three prizes to win: five Red Sox tickets; a round of golf for four people at the Acushnet Valley Golf Course; and six PawSox tickets. Raffle tickets are \$5 each or \$20 for a book of five and are now available at the Marion Town House, 2 Spring Street. They may also be purchased from one of the following committee members: Debra Blanchette; Joseph Carver; William Cooper; Lori Schaefer; and Lora Sharpe. The drawing will be held at the Marion Bandshell on Island Wharf on Monday evening, July 10. (You do not need to be present to win.)

Mattapoisett Teen Dances

The summer wharf dances sponsored by the Mattapoisett Track Club are held on Thursday from 7:30 to 10:30 pm. Admission to these dances is limited to junior and senior high school students who are residents of the tri-town area. School ID must be presented. No one will be admitted to these dances after 9:00 pm. Admission fee will be \$5 per person.

No backpacks and purses will be allowed into the dance area, and you will be asked to remove chained wallets and large chain necklaces. No rough play or mosh dancing on the wharf is allowed.

Dances will conclude at 10:30 pm and parents who are driving are asked to pick up their children

through fifteen (15) years of age who wish to operate a motorboat without adult supervision is required by state regulation. A Massachusetts Boating Safety certificate and wallet card will be awarded to students who successfully complete this course.

Pre-registration is required for the course. To register, please call the Fairhaven Harbormaster's Office at 508-984-4529. All five classes are required.

Marion Recreation Programs

Marion Recreation is gearing up its summer programs including: youth swimming lessons; youth and adult sailing lessons; youth basketball pickup games; youth street hockey; Marion Mile Just for Kids; girls' field hockey clinic; adult and high school yoga; Marion Village 5K Run; and youth and adult kayaking lessons. Registration forms for all programs may now be found in the lobby of the Elizabeth Taber Library or online at www.marionrec.org.

Driver Education Class

Enrollment for the next Driver Education Class at Old Rochester Regional High School is now taking place. Due to a change in state law, a student must be at least 15 years, 9 months of age on or before July 24, 2006 in order to enroll for the class. Students from ORR will be given first available seats.

Please call the Martin Auto School at 508-999-3832 for further information. Those wishing to register for this class who are not students of ORR High School should call the Martin Auto School directly to register. The class is scheduled to begin on Monday, July 24, 2006. The classes, for this session only, will be held on Monday through Friday at Old Rochester Regional High School in Room 248 from 5:30 to 8:30 pm and run for two weeks. The course cost is \$230. This includes 30 hours of classroom, six hours behind the wheel, and six hours of observation.

Rochester Country Fair

The Rochester Country Fair will be celebrating the "Days of Yesteryear" as the theme for the town's seventh annual Country Fair slated for August 16 - 20, 2006. This will be a "blast from the past"!

The Fair Committee is planning on integrating some new events into the fair that will coincide with this year's theme. Among the new events will be a "Family Movie Night Under the Stars." The old-fashioned movie night will take place on Saturday, July 22.

They will also introduce a "From the Attic Photo Exhibit" and "Then and Now Photo Contest," Baby Carriage Contest, Sock Hop Dance with The Relics, and a Bobcat Rodeo which is sponsored by Bobcat of Cape Cod. The town's favorite local band, The Relics, is also coordinating a Yesteryear Costume Contest following the parade!

Participants in the Parade and Costume Contest

are welcome to represent something from the "Days of Yesteryear." It can be an era (the Roaring '20s or the Fabulous '50s); a popular TV show (Happy Days, Little House on the Prairie); a band or musician (The Beatles, Elvis); or a culture, person or event in time. The possibilities are endless!

This year's fair will also bring back other popular events such as the Town Ball Game, Woodsman Show, Tractor Pull and Show, Frog Derby, Bicycle Parade, Car Cruise, Tub Race, Bon Fire, and Fiddle Contest, just to name a few.

If you are interested in lending a helping hand or sponsoring the Family Drive-In Movie Night or just the fair in general, please contact one of the committee members: Duffy Clapp (774-263-2393); Julie Koczera (508-763-9610); John Lafleur (508-989-6143); Dave Grime (508-763-3258); Bev Pierce (508-763-5503); or Brandon Bachiocchi (508-763-2654).

You can also visit the fair's website at www.rock-esterma.com.

Boating Basics in Marion

Boat Massachusetts, a boating basics course to foster safe boat operation, will be held at Sippican Elementary School in the Community Room, Spring Street in Marion on July 11, 13, 18 and 20. First class to start at 5:30 pm. All four classes are required.

Youth 12 through 15 years of age who successfully complete the course, will be issued a Safety Certificate allowing them to operate a motorboat without adult supervision, as required by state law. This course will also satisfy the state requirements for personal watercraft users who are 16 or 17 years of age. All graduates will be issued a course completion diploma and a Safety Certificate. Taking the class as a family is encouraged.

Note: Class size is limited. Pre-registration is required. Please call 508-748-3515 to register.

Onset Acoustic Series

The Onset Bay Summer Acoustic Music Series will open its season of free evening performances by the bay on Wednesday, June 28 with a performance by singer, composer, guitarist Barbara Phaneuf. The two-hour performance gets underway at 7:00 pm at the Gregerman Bandshell in Onset Village. It is the first of six concerts on consecutive Wednesdays hosted by the Onset Bay Association. There is no charge for admission to these performances.

Barbara has been a longtime performer at coffee-houses throughout the northeast. Her style encompasses '50's style country pop, acoustic swing, folk tunes and torchy blues ballads. Her first CD, *Good Company* was released in 1997 to enthusiastic reviews. Simply produced, the guitar playing and lyrics shine through. Much of the material reflects the spirit of having spent two years in Austin, taking in the music and culture of this eclectic

Texas city. *Hat Full of Diamonds*, released in 2000, was produced and engineered by Seth Connelly. It firmly established Barbara as a solid performer and talent. She is currently at work on her third CD.

The series will continue each Wednesday through August 2 with the following scheduled performances:

- July 5 - Gritty bluesman Gil Correia gets down to business with a blues style that is authentic and personal. Firmly established in the local lexicon of bluesmen, Gil has of late been trading guitar chops with the legendary Ricky "King" Russell. Always passionate about the blues, Gil is a true showman. Expect the unexpected in this acoustic set.

- July 12 - Jeannie Gagné brings her soulful R&B vocals to the Onset stage for the third date in the series. She is a rare vocalist with seemingly limitless styles and chops at her disposal as well as considerable charm on stage. Jeannie has sung with Philip Glass, opened for Barenaked Ladies, performed for NBC-TV with comedians Penn and Teller, and toured with reggae legend Frankie Paul. She teaches voice at the Berklee College of Music in Boston.

- July 19 - Berkshire Bateria is samba at its cool and persuasive best. Hailing from Western Massachusetts, this percussive group will get everyone swaying to the beat. This event is very interactive and kids always have a great time joining in with the drumming.

- July 26 - Wherever singing group Voices In Time goes, they shine. Comprised of young singers from 5 to 18 years of age and lead with outstanding direction by Sharon Jensen, this vocal troupe always delights family audiences with their range of material and classy performances.

- August 2 - Grace Morrison is one of those rare talents that just keeps getting a wider audience every time she performs. Folk music is at the heart of what she does but there's more to her abilities than can simply fit in that box. Her performances are always warm and insightful.

The Onset Bay Association presents the Summer Acoustic Music Series against the backdrop of beautiful Onset Bay. The series is fully sponsored by SouthCoast Hospitals Group and the Massachusetts Cultural Council

Marion Art Center

The Drunkard

Rehearsals are well underway for the Marion Art Center's upcoming production of *The Drunkard*, or *The Fallen Saved*, a musical melodrama based on the original temperance play by W.H.S. Smith. The show was first presented in 1844 at the Boston Museum and played for 140 performances. Then P.T. Barnam (of circus fame) latched on to *The Drunkard* and brought it to New York where it ran for 150 performances. It was soon noted that many of the nightly audience of 2,000 would laugh in the wrong places. Finally Barnam closed the show when he found the crass New Yorkers applauding the villain, encouraging the hero to drink and vilely cursing the reformers.

In 1933 the play was vividly revived in Los Angeles and enjoyed the longest run in the history of legitimate theater, playing to packed houses of hissing and booing audiences until it finally closed in 1962. In 1964 Bro Herrod adapted the show and made it a musical with his friend, Barry Manilow. It ran continuously for six years.

Robert Linde and Landis Major.

Mr. Major is a native of Hawaii where he started photography at the age of 14 and has been photographing ever since. He received a Bachelor of Fine Arts Degree from The Art Center College of Design, Los Angeles, California. In 1970 he and his wife moved to the Republic of Panama where they raised two children, now both married and living in the USA. Landis spends most of his time in Panama working and as much time as possible at their home in Marion.

Landis' main interests have been in traditional photography, mostly black and white, up until four years ago when he bought his first digital camera and got interested in color work. His preferred subject matter remains the landscape, but also goes to abstract images found in nature. He has exhibited in Panama, Chicago and Cambridge, MA.

Robert Linde recently assembled 115 color photographs in a hardcover book titled South Coast Massachusetts. Mr. Linde's vivid camera lens takes in this area's beautiful beaches and thriving vacation communities. The book is divided into four sections: "Gateway," which focuses on Onset and Wareham at the head of Buzzards Bay; "Old Rochester," the tri-towns of Marion, Mattapoisett and Rochester; "Working Harbor," waterfronts of Fairhaven and New Bedford; and "Country," encompasses the rural areas of Dartmouth and Westport. Many of the images in this book as well as other original photographs will be installed in the two-person exhibition at the Art Center.

The photography show runs through July 19. Gallery hours are Tuesday through Friday, 1:00 to 5:00 pm and Saturdays, 10:00 am to 2:00 pm. The Marion Art Center is located at the corner of Main and Pleasant Streets in Marion. Admission is free.

Mattapoisett Library Program

On August 29, 2005, Hurricane Katrina devastated much of the Gulf Coast. As a coastal community ourselves, we know the destruction and devastation of hurricanes and how they impact a community. As such, the Mattapoisett Free Public Library would like to provide an opportunity for Mattapoisett's children to make a difference in the lives of other children affected by this tragic storm.

Each year the library sponsors a Summer Reading Program that encourages children to keep their reading skills sharp over the summer vacation. Children visit the library weekly to report on their progress and enter a raffle for prizes. This year the library would like to eliminate the major prizes for our children by using resources to make donations to Gulf Coast libraries that have been destroyed. By encouraging young readers to think of others in greater need, they hope to increase their awareness of the world and help to create a more caring society.

For the past three years the prizes have been donated by Jennifer and Nathan Zieske, a young couple residing in Mattapoisett. This family has agreed to again support the Summer Reading Program with the same monetary gift which will be sent to a Gulf Coast library

in need. The program will involve children keeping a log of the hours they spend reading. Readers will receive a "Book Buck" for each hour spent reading. At the end of the six-week program, their "Book Bucks" will be exchanged for real money to be sent to the Gulf Coast libraries to aid in their rebuilding. They have had over 200 children register each year with nearly all of them completing the five-hour reading minimum.

The library hopes to push that goal to double this year's minimum to 10 hours and expand both the learning experience and their ability to give. Tax-free donations can be sent via a check made payable to "ALA Hurricane Katrina Relief Fund" and dropped off or mailed to: Mattapoisett Free Public Library, P.O. Box 475, Mattapoisett, MA 02739. The library will collect, tally and forward all donations by September 1, 2006. For more information, please contact Linda Burke at the Mattapoisett Free Public Library at 508-758-4171.

MOVIE REVIEW

Man of Steel

By Rob Gonsalves

<http://www.robsmovievault.com>

Superman Returns. Starring Brandon Routh, Kate Bosworth and Kevin Spacey. Directed by Bryan Singer. Running time: 154 minutes. MPAA rating: PG-13.

Consider the poor *übermensch* — always alone, cut off forever from his roots, forced to disguise himself as a dweeb who has no personal life. In keeping with the recent string of morose films about the trials and tribulations of being a superhero, *Superman Returns* gives us a Superman (Brandon Routh) who comes back to Earth after five years and finds the old global problems are far worse, his old girlfriend Lois Lane (Kate Bosworth) has had a son with her new fiancé (James Marsden), and his old nemesis Lex Luthor (Kevin Spacey) is out of jail and plotting to create his own continent at the expense of billions of lives.

Whew! Not too much pressure. One wouldn't blame Superman too much if he decided to turn around and fly back into space. But the words of his long-dead father Jor-El (Marlon Brando, resurrected via computer) echo in his mind: "They can be a great people, Kal-El; they wish to be. They only lack the light to show the way. For this reason above all — their capacity for good — I have sent them you, my only son." The true heart of this *Superman* movie is not that humankind should be inspired by Superman; it's that Superman is inspired by the non-superheroic but brave and selfless humans he lives among. Lois tells Superman "We don't need a savior," and the movie backs that up by reminding us of our capacity for good.

Beyond that, *Superman Returns* is a cracking good adventure, though sometimes too leisurely and not without stress cracks: There's only so much radical stuff you can do with a movie rumored to cost north of \$200 million. Kevin Spacey plays Luthor with his usual hooded suavity, and it's a relief to see him being a snake again after a long run of Oscar-chasing. But Luthor's plan barely makes sense, and he scarcely gets any screen time opposite Superman. Director Bryan Singer, whose two *X-Men* films raised the bar for superhero movies, avoids some obvious narrative beats but lingers over others, such as a sequence of a grievously wounded Superman in the hospital. The script seems patched together, and I can't be alone in thinking they should've saved Lois' kid for the sequel.

When it comes down to pop apocalypse, the movie delivers. The plane-rescue sequence is already deservedly famous, giving you a physical sense of the impossible — it's a mini-classic. *Superman Returns* is not structured as a clothesline of disconnected computer-assisted thrills, and that's a surprise; the movie is uncommonly becalmed, reflective. The action is staged beautifully; it's kinetically dazzling. But there's very little threat underneath it all — you know Superman won't fail or die. At least in the original 1978 *Superman*, Lois Lane actually died (even if only temporarily), giving the hero an ugly reality slap — even *he* couldn't be everywhere at once and save everyone.

I liked and enjoyed *Superman Returns*, though I wish I were as sold on it as some critics who seem to be clinging to it as this summer's savior after a long string of bummers. It doesn't redeem the cinematic sins of *Mission Impossible III* or *X-Men 3*; it's merely good, not great, and the only risk it takes is financial (at this writing I haven't seen the opening-week box-office numbers). Brandon Routh is solid and genuine if a little plastic — he seems to have been cast solely for his resemblance to Christopher Reeve, and he doesn't have Reeve's mixture of authority and wry self-amusement. Kate Bosworth doesn't ring any bells as Lois; if Singer wanted to cast closer to the original, he should've gone with Parker Posey, who is mostly thrown away as Luthor's ditz, Pomeranian-toting moll Kitty. A \$200 million summer blockbuster with Parker Posey in a small supporting role is good; a \$200 million summer blockbuster with Parker Posey grabbing significant screen time and getting to canoodle with Superman would've been magic.

Rochester Tree Challenge

The Rochester Green Ways Committee has also begun its Big Tree Challenge with prizes to be awarded at the Rochester Country Fair this August. The committee is asking residents to enter examples of large trees of any species in Rochester for consideration. Trees will be scored by girth and height, and the winner of each species will be recorded as well as win a prize. People may enter as many trees as they wish. For more information, please contact Laurene Gerrior at 508-763-4223 or stop by Town Hall for a checklist of Tree Species in Rochester and a Guide to Measuring Trees.

Buzzards Bay Regatta (BBR) as the www.buzzardsbayregatta.com. This year's three-day event will take place on August 4, 5 and 6, 2006 and will be hosted by the Beverly Yacht Club in Marion.

With fifteen classes racing, BBR is the largest multi-class regatta in the United States. There will be 13 classes racing out of Sippican Harbor: J/22, J/24, J/80, J/105 & J/109, Shields, Club 420, Vanguard 15, Bullseye, PHRF (Race and Cruise), IRC and Multihulls. Both Laser Standard and Laser Radial will race out of the Community Boating Center of New Bedford directly off Fort Taber. Both locations are considered to be among the best sites for racing sailboats in New England.

Over 400 boats and 1200-plus sailors attend BBR which is known for its challenging conditions and international level race management. "We're lucky enough to run an event in an ideal location where great sailors get a fair test of their skills and then some," said Dan Cooney, Chairman of BBR 2006. "Fast fleets, big breeze and strong race management — that's what Buzzards Bay is all about."

This year, iboattrack created by Horizon Marine of Marion is the Presenting Sponsor and will provide transponders to track the J105 class. Competitors will be able to watch the replay of their performances on the iboat-track monitor back at the Club which will add an exciting dimension to this year's on-shore activity. In addition, BBR is proud to have the support of the three Circle

SALOME'S STARS

ARIES (March 21 to April 19) You clever Ewes and Rams love nothing more than to rise to a challenge. So, by all means, if you feel sure about your facts, step right up and defend your side of the issue.

TAURUS (April 20 to May 20) You've done some great work recently. Now it's time to reward yourself with something wonderful, perhaps a day at a spa or a night out with someone very special.

GEMINI (May 21 to June 20) You love to talk, but don't forget to make time to do a little more listening; otherwise, you could miss out on an important message someone might be trying to send to you.

CANCER (June 21 to July 22) Your aspect indicates some uncertainty about one of your goals. Use this period of shifting attitudes to reassess what you really want and what you're ready to do to get it.

LEO (July 23 to August 22) Your social life is picking up, and you'll soon be mingling with old friends and making new ones. But 'twixt the fun times, stay on top of changing workplace conditions.

VIRGO (August 23 to September 22) A trusted friend offers understanding as you vent some long-pent-up feelings. Now, move on from there and start making the changes you've put off all this time.

LIBRA (September 23 to October 22) You might well feel uneasy as you face a difficult situation involving someone close to you. But you know you're doing the right thing, so stick with your decision.

SCORPIO (October 23 to November 21) You're a good friend to others. Now's the time to allow them to be good friends to you. Rely on their trusted advice to help you get through an uncertain period.

SAGITTARIUS (November 22 to December 21) Family and friends are always important, but especially so at this time. Despite your hectic workplace schedule, make a real effort to include them in your life.

CAPRICORN (December 22 to January 19) That project you've been working on is almost ready for presentation. But you still need some information from a colleague before you can consider it done.

AQUARIUS (January 20 to February 18) Don't let those negative attitudes that have sprung up around you drain your energies. Shrug them off, and move ahead with the confidence that you can get the job done.

PISCES (February 19 to March 20) Aspects favor some dedicated fun time for the hard-working Piscean. A nice, refreshing plunge into the social swim can recharge your physical and emotional batteries.

BORN THIS WEEK: You love to travel and be with people. You probably would be happy as a social director on a cruise ship.

Scholarship Picnic in Onset

After ten successful years of fundraising, the Christa Baptist Patterson Scholarship Fund will hold its final Summertime Picnic on Saturday, July 8 at the Dudley Brown VFW Post Pavilion just off Onset Avenue. Each year the event has raised sufficient funds to continue offering the scholarships that began when four-year-old Christa Baptist Patterson lost her battle with leukemia a decade ago. To date the fund has awarded 42 scholarships in her memory.

The scholarship fund was created when money that was raised to defer the costs of a bone marrow transplant for young Christa never had a chance to be used as she succumbed before a bone marrow donor was found.

Since then, the committee that established the fund has promoted the importance of registering as a bone marrow donor and has remembered Christa by providing scholarships to high school students living in area communities from Fall River to the Upper Cape. The committee will continue to make scholarships available as funding allows.

The Summertime Picnic is truly an event designed with family budgets in mind. Ticket donations are priced at just \$7 for adults while children under 12 years of age enter free when accompanied by an adult. The fun-filled event kicks off at 2:00 pm and continues until 9:00 pm with lots of Cape Verdean style foods, grilled hamburgers and hot dogs, beverages, music and dancing plus
